

Construction Started on Redondo Beach Blvd. Job

Construction crews are scheduled to begin work on the north side of Redondo Beach Blvd. between Prairie Ave. and Dominguez Channel tomorrow, Supervisor Kenneth Hahn announced today.

Work was started Friday on the removal of a number of trees which now stand in the future roadway, a representative of Oswald Brothers Co., Inc., contractors on the job, advised Supervisor Hahn.

Work will include the construction of one additional traffic lane plus paved shoulders, curbs and gutters the entire length of the project. Sidewalks will be built from Prairie to the lake and pool area of Alondra Park.

Supervisor Hahn had asked that the roadway be widened and improved to provide additional traffic safety in this area and to provide greater protection to children going to and from Alondra Park.

Construction of this project, which is about three-quarters of a mile in length, is scheduled to be completed by March 13 next year. The contractor stated that he hopes to have the grading completed and the
